How the Scorecard works:

We identify 4 key areas of political performance measurement:

1.) Public statement of commitment (Politician's Pledge),
2.) Voting history on critical legislation,
3.) Verifiable public statements,
4.) Responses to periodic questionnaires on important issues.

Area of Concern in BC.	POSITION
"Safe Supply" Narcotics Program Act The BC government plan provides free narcotics on-demand in a programme that was never supported by research and has contributed to increased drug addiction, trans-Canada narcotics trafficking, street crime, and escalating overdose deaths.	✓ **Does Not Support**
SOGI 123 Program - (Sexual Orientation and Gender Identity) Introduces radical gender ideology under the guise of "safe", "inclusive" education to your child in school without parental knowledge or notification, undermining parental authority.	✓ **Does Not Support**
